

COLUMBIA VALLEY PACIFIC ROOTS

Made with Organic Grapes

ORGANIC CABERNET SAUVIGNON

Pacific Roots is a certified organic Cabernet Sauvignon from Washington state's Columbia Valley. This low-desert region in the shadow of the Cascade Mountains has become identified as source of the Pacific Northwest's premier Cabernet Sauvignon. Warm sunny days and cool nights, a long and even growing season, and Columbia Valley's unique terroir deliver a distinctive, well-balanced, aromatic red, distinguished by dark, ripe yet fresh fruit flavors of plums, cherry, and black currants, leading into a long, well-delineated finish.
